

SANLink3

Thunderbolt™ 3 Bridge Adapter

NEW Thunderbolt 3 Ethernet Bridge

Benefits

- Streamline workflows for creative professionals
- Remove storage bottlenecks for laptop and desktop systems that were once unable to connect directly to an Ethernet infrastructure
- Edit files in real time in native uncompressed formats

Highlights

- Enables Ethernet connectivity on systems with a Thunderbolt 3 port
- NBASE-T Ethernet connection
- Supports Xsan and StorNext™ file systems
- Supports all VTrak product line
- Bus powered by Thunderbolt 3 standard
- Thunderbolt 3 cable included (USB Type-C)

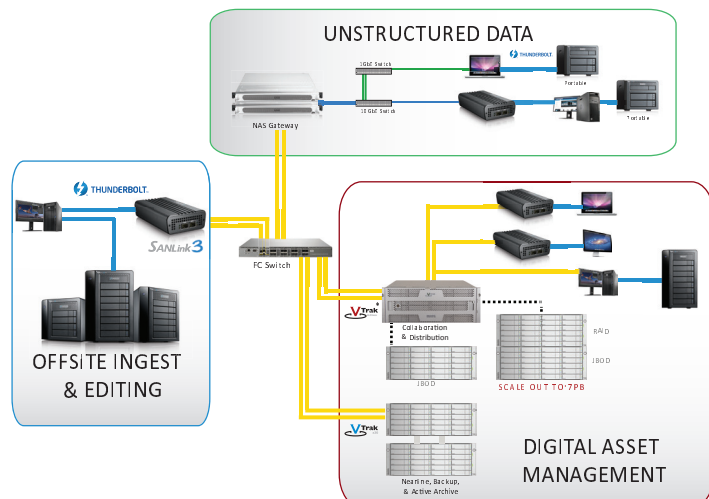

Product Overview

- The SANLink3 Series with Thunderbolt 3 technology revolutionizes how creative professionals connect from a Thunderbolt 3 device to a Ethernet infrastructure and is built to maximize the available line rate of Thunderbolt 3.
- Access to low-latency, high-bandwidth storage reduces file load times, allows for instantaneous response time during timeline scrubbing, and reduces the amount of time required for large media file transfers.
- A complete out-of-the-box solution, simply plug in your SANLink3 into a Thunderbolt 3 port. The SANLink3 Ethernet adapter uses the bus power of Thunderbolt 3, no power adapter required.

SANLink3 for an Ethernet Infrastructure

- SANLink3 NBASE-T1 provides an Ethernet port that can be used to connect directly to an Ethernet network using a high-speed Thunderbolt 3 I/O device.
- Connect a Thunderbolt 3 enabled workstation or laptop directly to Ethernet

End to End Rich Media Solution

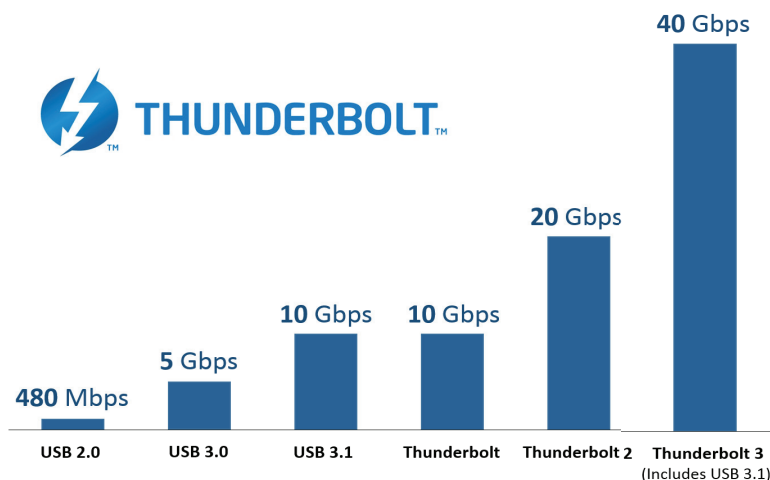

Thunderbolt™ 3

- SANLink3 NBASE-T1™ port can be used to connect Thunderbolt 3 enabled workstations or laptops directly to Ethernet networks. Thunderbolt 3 provides for twice the throughput of Thunderbolt 2.

PROMISE Rich Media 4K Workflow

- PROMISE offers a complete shared storage solution featuring Thunderbolt 3 for 4K environments through Pegasus3, SANLink3, and VTrak A-Class.

SANLink3 Specifications

SANLink3 NBASE-T1	
Model	
External Ports	NBASE-T Ethernet Port
Thunderbolt™ Ports	Single Thunderbolt 3 technology port (40 Gbps)
Transfer Rates	2.5 GB/s at 40 Gb 500 MB/s at 5 Gb 250 MB/s at .25 Gb
Host Bus Type	Single 40 Gbps Thunderbolt port
Protocols	SCSI-FCP FCP2
Dimensions	1.1" (H) x 4.25" (W) x 2.2" (D)
Weight	10 oz.
Warranty	3-year warranty
Requirements	Workstation or laptop with Thunderbolt 3 port
